We also offer **OVERLAMINATE** and **PERFING** for all of the sizes and shapes of labels in the above price lists .

OVERLAMINTING is a relatively low cost way of adding a protective coating to a label that helps prevent scuffing and adds grease, oil, and solvent resistance.

PERFING between each label adds ease of dispensing for single label applications.

OVERLAMINATING CHARGE (gloss laminate only) **\$ 5.00** per 1000 labels
PERFING CHARGE **\$ 17.50** per size per order

• Terms and Conditions

- Labels rewound at 1000 labels per roll on 3 inch cores.
- White semi gloss paper face, permanent adhesive on 40# white liner.
- Choice of rewind positions (some limitations may apply)
- One time setup charge applies for first orders billed at **\$ 60.00** per hour
Any changes to repeat orders will also incur this charge.
- All orders are F.O.B. Pulaski, TN plant

We carry many sizes and shapes of dies and can print up to 6 colors including 4 color process. Call today for a quote for your custom label needs.
